COMPENSATION PLAN

QUALIFIED ASSOCIATE

Once an Independent Associate (IA) has personally sold one third-party, non-Associate, Customer Club Membership for \$299.99 plus \$29.99 per month the Associate becomes a Qualified Associate (QA) and are then qualified to earn Commissions and Bonuses.

MENTOR BONUSES

Every time a Qualified Associate (QA) personally enrolls a new Associate who sells 1 third-party, non Associate Customer Club Membership within their first 30 days, the Qualified Associate earns a Mentor Bonus of \$100. There is no limit to the number of Associates that a Qualified Associate can enroll, nor the amount of third-party, non Associate Club Memberships they can sell. Mentor Bonuses are paid out weekly.

LEADERSHIP BONUSES

When you promote to Area Director (AD) or above, you are paid Leadership Bonuses when a Qualified Associates (QA) on your team sells a third-party, non Associate, Customer Membership. Your Leadership Bonuses go down through infinite levels when you meet the promotion requirements and reach the appropriate leadership positions. LIVIT has four leadership positions, and each time you promote to one of these positions, you have the opportunity to earn more bonus income. At each leadership position, you can begin to build a new leadership organization, which can qualify you for new Leadership Bonuses. All future Leadership Bonuses from your QA's sales of products and/or services goes to the new leadership position. This is called "leveling out".

* Leadership Bonuses are accumulative based on an Associate's Rank minus the Rank of the enrolling Associate on their team at the time and date of new Qualified Associate enrollment.

LEADERSHIP LEVEL	MENTOR BONUS	LEADERSHIP BONUS	FULLY CODED LEADERSHIP BONUS	TOTAL BONUS ON PERSONAL QA's
Qualified Associate	\$100	\$0	\$0	\$0
Area Director	\$100	\$50	\$50	\$150
Regional Director	\$100	\$100	\$150	\$250
National Director	\$100	\$50	\$200	\$300
International Director	\$100	\$25	\$225	\$325

BONUS TOTALS

Every time you personally sponsor a new QA (Associate who sells 1 third-party, non Associate Membership in their first 30 days from date of enrollment) you will earn a total of the Mentor and Leadership Bonuses based on your rank at the time of enrollment.

* While this is a great money-making opportunity it is important to keep in mind that there are no guarantees regarding income. Our estimate of what the typical participant is likely to earn is approximately \$312 per year. A participant, for the purposes of this estimate, includes all participants who make a sale within a one year period. This estimate will be updated annually. This 'typical' figure is representative of the smallest range of compensation expected to be earned by over 50% of all participants in the plan.

When your 2nd Generation MatchTeam each sign up their first three (3) Associates, that becomes your 3rd Generation MatchTeam.

As each of these leaders promote to Area Director, Regional Director, National Director, and International Director you can earn 25% override of your 1st Generation Leadership Bonuses, 10% override of your 2nd Generation Leadership Bonuses, and 10% override of your 3rd Generation Leadership Bonuses.

MONTHLY RECURRING INCOME (MRI)

Personal Customers who maintain their products and/or services count toward your MRI. So do the customers who are sold products and/or services by QA's in your leadership organization, no matter how wide or how deep.

MRI is paid starting the 2nd month of customer billing & payment; and each subsequent month thereafter. To receive this income, you must meet both the one-time leadership promotion qualifications as well as monthly Customer Point count qualifications. You meet the one-time promotion requirement by attaining a leadership position. You achieve the monthly Customer Point qualification by having met the required number of customers who have been sold products and/or services the last day of the month.

Be sure you have the required number of customers and/or customer points by month's end to be paid at your leadership level. Don't miss out on earnings; always have more customers and/or customer points than required. If your number of customers and/or customer points is fewer than your qualification requirements, a one-month grace period will begin and you will be paid Monthly Recurring Income (MRI), UNLESS the previous qualification was a grace period. You will not be paid MRI when you have two (2) consecutive months of missed customers and/or customer point qualifications.

All customer acquisitions necessary for commission and bonus qualifications must be received and in pending or active status by LIVIT by Friday at 11:59 pm Central Time for a payment to be issued on the following. Any acquisitions or status changes received after that time, will be paid the following Friday. Travel Commissions are based on net commissions to company.
